Re: Daniel B. Karron v. United States,
11 Civ. 1874 (RPP)

Dear Judge Patterson:

As the Court is aware, the petitioner in the above-captioned case originally filed a memorandum of law in support of his petition for habeas corpus relief on April 11, 2011. The Court later granted the petitioner's request to file an amended memorandum of law, which the Government received by e-mail on Wednesday, May 11, 2011. The Court had previously ordered the Government to respond to the petitioner's memorandum within 60 days. Now that the Government has received the amended memorandum, the Government respectfully requests that the Court amend its scheduling order so that the Government's 60-day response period begins on the date of service – May 11, 2011. Under this proposed schedule, the Government's response would be due on Monday, July 11, 2011. The Government, of course, consents to a similar extension for the petitioner's 30-day period to file his reply.

Respectfully submitted,

PREET BHARARA
United States Attorney
